

# Proportional Message

# Our location

Proportional Message is an organisation established in Lisbon, Portugal's capital.

# Our mission

To support  
socially  
disadvantaged  
groups through  
the humanistic  
values of  
education

# Our services

Education and training activities for people with disadvantage backgrounds

Education and training activities for the professional development of educators on work-based and informal learning

Non-formal education activities for the promotion of social inclusion

Capacity building workshops on integration, human values, gender equality, diversity, language and history

# We work with many different target groups.

Low-skilled adults

Marginalised communities

Migrants and refugees

People with disabilities

Families

# International projects

We are involved in international projects providing young people and participants of all ages with the qualifications and skills they need for meaningful participation in democratic society, intercultural understanding and a successful transition into the labour market.

# 43,500 people impacted
