MEETING IN GERMANY!

PARTNERS MEET IN PADERBORN!

»»» FIRST IN-PERSON MEETING

We are feeling even more excited about the future of the **Skills4Life** project after meeting in-person in Germany to discuss current progress. A big thank you to our wonderful hosts at Universität Paderborn for their warm welcome and hospitality.

««« WHAT WAS DISCUSSED?

In addition to clarifying next steps toward our upcoming outputs, the meeting in Paderborn was a great opportunity to cement the measures we will take as a partnership to guarantee project success. These include official strategies for **dissemination**, long-term **impact** and **exploitation**, **quality assurance** and **risk management**.

"IN 2019, THE RATE OF YOUNG PEOPLE AGED 16-29 YEARS AT RISK OF POVERTY OR SOCIAL EXCLUSION IN THE EU WAS 25.1%, OR 18.6 MILLION YOUNG PEOPLE"

MOVING FORWARD

WORK ON OUR DELIVERABLES BEGINS!

Thanks to the contributions of our partners at the in-person meeting in Paderborn, we have developed frameworks and templates to offer a clear roadmap for future project activities. We brainstormed possible activities for the **Training Package for Adult Educators**, as well as outlining the structure of the **Serious Game**. With these logistics out of the way, we can now get to the work of creating these outputs so that we can disseminate them to the people that will ultimately benefit from them!

NEXT STEPS

We're excited to start putting together the **Skills4Life** project outputs. Our priorities over the next few months include:

- **Work Package 2 (Skills4Life Training Package for Adult Educators):** Partners will begin to develop content for the Training Package, which comprises a Handbook and In-Service Training Programme.
- **Work Package 3 (Skills4Life Serious Game):** Partners will begin to develop content for the **Skills4Life** Serious Game's "levels".
- Development of the Project Website

...and much more!

DID YOU KNOW?

Meetings of the Skills4Life partnership will mostly occur online, but a handful of future in-person meetings will be organised in Poland, Ireland, and Austria. In addition, we will organise a training course for youth workers in France!
